# The Vicki Jockers Memorial Scholarship match

Vicki Jockers was a devoted wife, mother of two, and a grandmother to seven. She was a life member of the Faith United Church of Christ in Grantville, PA and spent her professional life as a 5<sup>th</sup> grade school teacher in the Northern Lebanon school district where she taught and mentored generations of kids. After her retirement, she continued to work with the public through her church as well as working at Indian echo caverns and giving tours at the Hershey story.

She was a strong advocate of People furthering themselves through all forms of education. Not only did she support college, but she also supported trade schools and apprenticeships. When she was 82 years old, she was abruptly and unexpectedly diagnosed with Asbestosis. After a two-year ordeal, she peacefully lost this battle with her family by her side.

The Jockers family has been involved in the competitive sport of Olympic-style shooting and has decided to honor our grandmother by supporting something that was very close to her heart: the continued education of young adults. We and others are sponsoring a 60 shot standing air rifle and a three-position smallbore match with special scholarship awards in her honor. In each match there will also be regular category and class awards.

The match will be held at the Palmyra Sportsman Association on May 8<sup>th</sup> and 9<sup>th</sup>. A 60-shot Smallbore (.22 cal.) three-position and a 60-shot Air Rifle Standing match will be held on the club's indoor facilities on SUIIS electric targets. On the 20 firing point Outdoor Competition range, a Re-entry 1200 prone match will be held on Sunday as well as 100 yard Fun matches in both prone and standing in the afternoons each day. The Vicki Jockers Memorial Scholarship as well as others will also benefit from the profits of the outdoor matches.

All of the matches throughout the weekend are open to anyone with awards given out to the overall winners as well as different age groups and classifications as appropriate (see specific match program). The Vicki Jockers Scholarships will be awarded to 11<sup>th</sup> and 12<sup>th</sup> graders. Scholarships awards will be given to the 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place shooters ranging from \$150 to \$1000. In addition to a cash prize, the prone match winner will have their name engraved onto a uniquely designed trophy that will be displayed in the club's trophy case.

This is the first and only match of its type in the country. All the profits from match fees, food sales, raffles, and donations throughout the weekend will be added to the scholarship awards. We expect that this will be a tremendous weekend and we hope that you can attend and make the Scholarship match a recurring competition in upcoming years.

## NCAA Eligibility

The prizes and scholarships given at this competition are allowed to be taken by juniors and those athletes still retain their ability to compete on NCAA rifle teams as long as the necessary expenses for “practice and competition” do not outweigh the winnings from the event. Please see the NCAA Rules below. Also, note the last Rule 12.02.03 that expenses are calculated “during each calendar year (January—December), rather than on an event-by-event basis.” This allows the monetary prizes to be taken by juniors during this competition and retain their NCAA Eligibility. This has been confirmed through a NCAA coach.

### **12.1.2.4 Exceptions to Amateurism Rule**

#### **12.1.2.4.1 Exception for Prize Money Based on Performance—Sports Other Than Tennis**

In sports other than tennis, an individual may accept prize money based on his or her place finish or performance in an athletics event. Such prize money may not exceed actual and necessary expenses and may be provided only by the sponsor of the event. The calculation of actual and necessary expenses shall not include the expenses or fees of anyone other than the individual (e.g., coach’s fees or expenses, family member’s expenses).

**12.02.2 Actual and Necessary Expenses.** Actual and necessary expenses are limited to: (Adopted: 1/19/13 effective 8/1/13)

- (a) Meals;
- (b) Lodging;
- (c) Apparel, equipment and supplies;
- (d) Coaching and instruction;
- (e) Health/medical insurance;
- (f) Transportation (expenses to and from practice and competition, cost of transportation from home to training/practice site at the beginning of the season/preparation for an event and from training/practice/event site to home at the end of season/event);
- (g) Medical treatment and physical therapy; 8/7/20 61
- (h) Facility usage;
- (i) Entry fees; and
- (j) Other reasonable expenses.

### **12.02.3 Calculation of Actual and Necessary Expenses—Individual Sports**

In individual sports, the calculation of an individual’s actual and necessary expenses shall be based on **expenses incurred during each calendar year** (January—December), rather than on an event-by-event basis.

## **Vicki Jockers Memorial Scholarship**

All of the Scholarship awards will be paid directly to the school that the winning athlete will be attending by the Palmyra Sportsmen’s Association. Scholarship recipients will therefore need to provide information for their college/university or technical school to the club. Athletes, which do not know their future college or school (Juniors), will provide the needed information at the time of their future decision. Until then Palmyra Sportsmen’s Association will hold the funds for those recipients.
